1957 SUPPLEMENT

To be used with our 1956-57 catalogue

Dear Garden Friends:

LIBRARY
RECEIVED

★ FEB 27 1957 ★

U. S. Department of Agriculture.

We list for the first time a number of delightful new plants which we have imported or grown on. Again this spring we are importing more new things from Europe which we hope to offer in 1958. The urge for new and better plants persists, so we are trying out more each year in the search for interesting garden materials — however the help problem is difficult and age and ill health threatens my own activities so that I am seriously considering selling off a part of the land. We shall reduce our plantings of Siberian and Japanese irises materially—so are offering real bargain collections in these groups.

Please re-read the terms of sale in our 1956-57 list carefully. DO please send adequate postage! Any surplus will be promptly refunded.

With Best Wishes for a pleasant gardening year, I am

Cordially yours,

Carl Starker

OUT LIST

We are out of these plants for the season.

Aquilegia Flabellata Nana Alba

Longissima

Scopulorum

Arabis Albida Variegata

Cheilanthes Gracillima

Daphne Blagayana

Erigeron Wargrave Pink

Hamemollis Mollis

Helianthemum Appeninum

Mrs. Mould

Oleanicum

Hosta Decorata

Ilex Crenata Helleri

Iris dwarf bearded

Balceng Curiosty

Compacta

Glee

Niobe

Iris Stylosa Orchid Striped

Leucothe Davisiae

Lithospermum Zollingeri

Lychnis Abbottswood Rose

Monorda Snow Green

Oenothera Pusilla

Oxalis Adenophylla

Phlox Stolenifera Rosea

Subulata

Alexander's Giant

Alexander's Favorite

Arbutus

Brittonii Rosea

Polemonium Pulcherrimum

Sedum Sieboldi

Santolina Incana

Viridis

Tradescantia Dawn

Thymus Micans

Veronica Blue Shimmer

ROCK PLANTS AND BORDER PERENNIALS

ACONITUM Carneum. S-Sh White with pale pink tips.	50c
Pyrenaica. Yellow. June flowering. 28 inches	50c
ACANTHUS Mollis. S. Handsome foliage for flower arranging. Gracefully curved stems on glossy dark green leaves	75c and \$1.00
